SCHENECTADY BUSINESS AWARDS NOMINATION GUIDELINES

The Selection Committee bases its decision on the information provided on this nomination form. We encourage you to provide complete answers and detailed information.

Briefly explain why this company/individual should receive this award *(attach additional page if necessary)*:

1. Why are you are nominating this individual or organization?

TW&A has been a critical component in the growth and beautification of Schenectady for the past 17 years. Tom Wilson and his team have contributed significantly in many private and public projects, and in volunteerism in the community.
I expect that many of the owners or developers of successful projects in Schenectady would point to TW&A's involvement as being instrumental. These would include, The Foster Hotel, Mohawk Commons, Proctor's Theater, Jay Walk Alley Lighting, Center City Walk, and numerous others. TW&A's support of local programs, such as the Ambassadors, is just one more way that they are part of the community.

2. Describe how this person or organization meets each of the criteria for the respective award category

As noted above, TW&A and their team has dedicated the past 17 years to the improvement of Schenectady, and the infrastructure that exists now is a tribute to their vision and pursuit of quality. They are not just located in Schenectady, they are a part of Schenectady. Commitment, dedication, selflessness, hard work, all attributes that harken back in Schenectady, are always a part of the TW&A commitment to its projects and to the people they serve.
