

GLOBALTechnicians Training Program

Do you like hands-on tasks or fixing equipment? Are you looking to get into the exciting semiconductor field? You're in the right place!

GLOBALFOUNDRIES is looking for mechanically inclined people who want to learn about:

- Semiconductor chip manufacturing
- Electromechanical systems
- Advanced robotics
- High vacuum systems

Join one of the most advanced manufacturing facilities in the world!

With our recently developed **GLOBALTechnicians Training Program:**

- Start as a Level 1 Technician (HS/GED diploma required).
- You'll receive classroom training, on-the-job training, and mentoring.
- Have access to tuition-reimbursed college credits to expedite your path to Level 2!

Starting pay is between \$15-\$16 with possibility of rapid growth.

Get in the fast lane to New York's Tech Valley!

GLOBALTechnicians Training Program

The future is here. And it's hiring.
