

## **CHRISTA TAYLOR**

The Research Foundation for SUNY

Christa Taylor is the Director of Benefits Programs, for the Research Foundation for SUNY. In this role, Christa is responsible for providing leadership and operational oversight in human resources administration, specifically in benefits, retirement and leave programs to help recruit and retain employees. This includes oversight of plan design, communications, compliance, vendor management and

administration.

Christa is committed and passionate about the personal and professional development of others. Through mentoring her staff or as a participant in the RFs Mentoring Program, she advocates to support and develop top talent within the organization.

A life-long resident of the Capital District, Christa currently resides in Colonie with her husband Michael, three children, Emily, Dylan and Abigail, and two dogs, Kingston and Harper. She enjoys spending time with her family, reading, hiking and being on the beach.
