

ROBERT GRANDE

Turner Construction Company

Rob is currently a Project Superintendent/Project Manager at Turner Construction Company. He graduated with an associate's degree in Construction Technology from Hudson Valley Community College and with a Bachelor's in Sustainable Construction Management from SUNY ESF. He started his career with Turner directly after graduation and has been with them for the last 8 years. Sustainability and innovation in the

construction industry is his true passion.

He has had the great privilege to work for a company that is directly in line with these passions. He has been the "Green Champ" for the Albany business unit for the last 4 years. This position has allowed him to get involved with sustainability initiatives from not only other Turner employees around the country but also for other large national company with the same goals.
