

## **MICHAEL ZIEGLER**

CDPHP

Michael is the Manager of Accounting Operations for Capital District Physicians' Health Plan, Inc. (CDPHP®). In this role, he is responsible for the maintenance, upgrades, new module implementation, and new automation development associated with CDPHP's consolidated financial system. Michael is also responsible for the development, management, and data analytics of the Accounts Receivable and Accounts Payable teams and their respective functions.

He was able to achieve this through his unique ability to grasp the most efficient way to perform an action/process and an innate ability to articulate his vision into an actionable implementation. He has successfully rallied disparate departments within CDPHP to effectively implement his ideas, resulting in greater efficiency in many processes. In addition, Michael exhibits exceptional coaching and mentoring skills for his staff and others throughout the organization.

Michael is actively involved in our local community as well as the CDPHP community. He is a Trustee on the Leukemia and Lymphoma Society (LLS) Board and serves on the Executive Leadership Team for LLS's Light the Night and is Secretary of the Executive Committee. In three of the past four years, Michael has broken the record for raising funds for Light the Night Family and Friend teams averaging \$45,000 per year. In addition, Michael serves on the Foundation Board for Living Resources.
