Experience and Background

I came to Edward Jones because it's in my blood. My father joined the firm when I was 6 years old, so helping people with their financial goals is all I've really known for my entire life. Planning for retirement and helping to pay for education are a couple of our areas of focus.

I began my Edward Jones career in 2010 after graduating from Nichols College where I majored in finance and minored in economics. At Nichols, I was president of the college radio station (WNRC 97.5 FM) where I hosted my own show and called the play by play for the men's and women's hockey teams on the radio and was also captain of the varsity tennis team.

I am active in the Capital Region business community as a member of the Rotary Club of Albany, the Capital Region Chamber of Commerce and the Capital Region Builders and Remodelers Association. Leadership roles include serving as past president and current vice president of the Rotary Club of Albany and ambassador for the Capital Region Chamber of Commerce.

I was born and raised in Delmar, NY, and now live in Latham, NY, with my wife, Juli, our son, Keegan, and our two dogs, Chauncey and Stella. For fun, I enjoy golfing, bowling and am a fan of the New Jersey Devils, Carolina Hurricanes, Atlanta Braves and the Denver Broncos.

My branch office administrator, Jennifer, has been with me from the beginning and is dedicated to providing you with the highest level of service possible. Please don't hesitate to call her with questions concerning your statement, dividends, stock certificates or your account in general.

We provide highly personalized service - all aspects of our business are aligned to help us better understand and meet our clients' unique goals and needs.

I currently hold the AAMS® professional designation from the College for Financial Planning.
