

GABRIELE CRISORIO

Mazzone Hospitality

Gabriela Crisorio is a Sales Professional with experience in the hospitality and event industry. She began her career in 2017 during her final semester at SUNY Schenectady. Gabriela obtained an internship with Rivers Casino and Resort in the Sales/Banquet Department.

After 4 weeks at the internship level, she was offered a full-time job as a Sales Coordinator. She gained a tremendous amount of experience planning both corporate and social events. After 2 years as Coordinator, Gabriela was promoted to Sales Manager. Gabriela currently serves as a Sales Manager for Mazzone Hospitality. In her role with Mazzone, she specializes in selling events/weddings at Glen Sanders Mansion, Key Hall at Proctors and beyond. She oversees a team of Sales Coordinators and motivates her team to deliver outstanding events.

A self-described *spitfire* Saleswoman, Gabriela spends her time driving sales and taking special care of all her clients from start to finish. She uses her detail-oriented personality to connect with clients and build long lasting relationships.

In her free time, she loves to be home with her fiancé and spunky miniature pinscher, Olive. She also loves Sunday Dinner with her big, loud (and proud) Italian family.
