

ROSALIND GAINES-HARRELL

City School District of Albany

Rosalind is a 28-year veteran in the City School District of Albany. As a seasoned administrator, she is passionate about continuously learning and growing herself and others in the field. For the past four years, she has provided professional development with the Assistant Principals of Albany City School District, hoping to be a launchpad to continually grow the next generation of academic leaders, guiding them into the principal's chair. Rosalind believes that equity in education is defined by providing every child access to standards-based, grade level material. In doing so, they will be able to reach their full potential and be able to compete with their school-aged peers as they approach the world of work.

She has previously been recognized for her distinguished leadership and service. Most recently, she was awarded Capital Area School Development Association's (CASDA) 2020 Principal of the Year. Rosalind is also a member of Alpha Kappa Alpha Sorority, Incorporated.

She lives in Guilderland with her husband Aaron, son Jamari. She also has a son Alex and is sister-mom to her brother Jason.
