

JACQUELINE (JACKIE) MONTGOMERY

Ellis Medicine's Bellevue Woman's Center

Jacqueline is the Director of Nursing at Ellis Medicine's Bellevue Woman's Center. A born and raised Schenectady native, Jackie joined Bellevue in 2014 as a frontline nurse in the Neonatal Intensive Care Unit. She progressed through the leadership team and has served as the director of nursing for the women's and infant service lines since December of 2019. In her role as director of nursing, Jackie oversees the day-to-day operations of Bellevue Woman's Center, including oversight over the inpatient nursing staff. She is responsible for maintaining high quality care, planning and executing strategic initiatives, managing budget and ensuring an excellent patient experience.

Jackie received her Associate Degree of Science in Nursing from St. Elizabeth College of Nursing in Utica, NY in 2011, her Bachelor of Science in Nursing from SUNY Polytechnic Institute in Utica, NY in 2014 and her Master of Science in Nursing Management and Organizational Leadership from American Sentinel University in Denver, Colorado in 2020. She has over ten years of nursing experience and six years of leadership experience, with the majority being in women's and children's health.

Jackie resides in Delanson with her husband Jared, daughters Adeline (5), Kiera (3) and Teagan (6 months) and their German Shepherd, Zoe.
