

GABRIELLE SANT 'ANGELO

The Pine Hollow Arboretum

Gabrielle Sant'Angelo, Executive Director of the Pine Hollow Arboretum has been with the non-profit since May of 2020. Originally from Long Island, Gabrielle found her way upstate when she received her BS in Environmental Policy, Community Planning and Law from SUNY-ESF. In addition to her time at college, she has served in a variety of non-profit management roles such as her position with the Texas Discovery Gardens as their Guest Relations Manager. Now a Capital Region native since 2015, Gabrielle has placed roots in the community. In her role at the arboretum, she is responsible for all aspects of day-to-day operations of the organization including community engagement, development, and volunteer coordination.

Prior to joining the Pine Hollow Arboretum, she worked at Nine Pin Cider for 4 years in several roles including Assistant to the General Manager. During the beginning of the COVID-19 pandemic, Gabrielle played a primary role in switching over the business model to online sales and shipment, a crucial element in helping make sure the business persevered through the pandemic.

Gabrielle also serves on the Board of New York Urban Orchards and the Street Tree Advisory Committee for the Town of Bethlehem. She recently received an American Public Gardens scholarship for 2021 through the Garden Scholars Program and has been selected to present at this year's Small Garden Symposium.
