

New York State has grant money available to help your Small Business recover from the Pandemic.

If you can answer Yes to the following questions, you may qualify for a business grant of up to \$50,000!

- Did you start your business before March 1, 2019?
- Did your business earn at least \$1 of profit in 2019?
- When you compare your 2020 receipts to 2019, did your receipts drop by at least 25%?
- Did your business have receipts of less than \$2.5 million in 2020?

Don't miss out on the grant funding, apply now!

For language assistance, guidance on eligibility requirements or any additional questions, please contact the program's call center at 1-877-721-0097. Monday – Friday 8am-8pm, Saturday 9am-5pm ET.
