## University at Albany MBA for Executives Program Highlights

- Cohort Structure - Students learn nearly as much from each other as from the instructor, form life-long friendships, and many have gotten job opportunities, leads, and resources from their fellow students.
- Investment - At \$43,680, the program is the value leader among executive-level MBA programs in New York State. Offering a \$6,000 scholarship to anyone admitted for Fall 2023, driving the investment even further down to \$37,680. *The is the last year the scholarship is being given.*
- Chamber Member Discount – **Capital Region Chamber** members receive an additional \$5,000 scholarship when admitted for Fall 2023!
- All-Inclusive – Investment covers just about everything, including tuition, books/course materials, international trip, parking, meals, snacks, and beverages.
- Short Duration – Students complete the program in a condensed 21-22 months.
- Applicability – Students learn cutting edge concepts on the weekend that they can apply to their jobs on Monday. We provide a 30,000-foot view of most topics, giving students tools they need to become more effective managers and leaders.
- Diversity – Our students come from all over the world, from both the private and public sectors, and represent many different professional backgrounds and a wide age range.
- Impactful – Many alums have been promoted or have changed jobs and most have realized a salary increase after going through the program.
- Resources – Free individual premium subscription to *The Financial Times* and *Barron's*; access to databases such as Bloomberg, Datastream, Compustat, CRSP, and Morningstar; networking with program guest speakers; access to all UAlbany on-campus resources including seminars and networking events.
- Continuing Education – Alums can update their knowledge and skills, as well as build toward a micro-credential, by taking advantage of open enrollment courses for a reduced fee.
- International Study Tour – Many consider this to be the crown jewel of the program where students are immersed in the business and culture of a foreign country for one week as part of their International Business course.
