

DAVE THOMPSON
DIRECTOR OF STRATEGIC PROGRAMS
POTENTIA

Dave Thompspon is Director of Strategic Programs at Potentia. Potentia works to connect leading businesses and organizations to the benefits of neurodiversity, through innovative workforce programs and projects. As a self-advocate with ADHD, Dyslexia, Sensory Processing Disorder and left-right confusion, Dave has been a leader, speaker innovator and advocate in the field of neurodiversity employment since 2010. As Director of Strategic Programs for Potentia Workforce, Dave supports companies in *thinking differently* about their workforce through training on best practices, proactive recruiting programs, process consulting and coaching services for ND professionals and their teams.
