

Jessie Zweigenthal

Jessie Zweigenthal serves as Director of Employee Engagement at Jahnel Group, a Capital Region based software consulting firm. She has worked alongside the leadership team for nearly 20 years, helping to shape the company culture and foster an environment where each employee can flourish. She believes the ideal employee/employer dynamic should function as a two-way partnership where both sides work together to help the other reach their goals. Through encouragement, coaching, and creating uniting experiences, she is dedicated to helping people build lives full of purpose and joy.

For 8 consecutive years, Jahnel Group has appeared on multiple Capital Region best workplace lists.
