

WE NEED YOUR HELP!

Each year, hundreds of local children face the holidays without gifts, joy, or peace. YOU can change that.

Join Chamber Angels in making a difference for local children—from infants to 18 years old—whose families are facing financial difficulties. For over 35 years, this program has been a vital resource for households in our community, and your support is needed now more than ever.

★ HOW YOU CAN HELP ★

★ Sponsor a Child

★ Make a Donation

★ Spread the Word
